ABOUT THE CORCORAN

The Corcoran Gallery of Art, a privately funded institution, was founded in 1869. It was America's first dedicated art museum and today is Washington's largest nonfederal museum of art. It is known internationally for its distinguished collection of historical and modern American art as well as contemporary art, photography, European painting, sculpture, and the decorative arts. In addition, a dynamic schedule of special exhibitions is complemented and enhanced by a range of educational programming, which together seek to enrich perspectives, support the local arts community, and encourage interpretation. **The Corcoran College of Art + Design** was founded in 1890 and stands as Washington's only four-year college of art and design, offering BFA degrees in Digital Media Design, Fine Art, Fine Art Photography, Graphic Design, Interior Design, and Photojournalism; a BA in Art Studies; a five-year Bachelor of Fine Arts/Master of Arts in Teaching (BFA/MAT); an AFA in Digital Media Design, Fine Art, Graphic Design, and Photography; and MA degrees in Art and the Book, Art Education, Exhibition Design, Interior Design, Master of Arts in Teaching, and New Media Photojournalism. The College's Continuing Education program offers part-time credit and non-credit classes for children and adults and draws more than 2,500 participants each year.
